

## Introduction

The 2009 IEEE Symposium on Industrial Electronics & Applications will be held at Best Western Premier Seri Pacific Hotel, Kuala Lumpur, Malaysia on 4th-6th October 2009. The symposium will be organized to invite international delegates, to "Beautiful and Peaceful Malaysia"; to share their latest research findings besides getting to know Malaysia. Submission of papers are welcomed. ISIEA 2009 will be organized and sponsored by IEEE Malaysia Section, IEEE Malaysia Power Electronics, Industrial Electronics & Industrial Applications Joint Chapter and UiTM Student Branch. It has the Engineering in Medicine & Biology Chapter, Instrumentation & Measurement Chapter as technical co-sponsors, and are supported by IEEE Malaysia Women in Engineering. It is co-organized by the Faculty of Electrical Engineering, Universiti Teknologi Mara, Shah Alam, Malaysia. The Proceedings of ISIEA 2009 will be included in the IEEE Xplore database. Papers from the Proceedings of ISIEA2009 is already included in IEEE Xplore database. Paper Submission Deadline: 18th May 2009. Announcement of Accepted Paper : 1st July 2009. Exhibition will be held during the conference. Exhibitors will include participants from commercial firms and organizations involved in the manufacturing, sales or distribution of electronics equipment and professional or technical services. Interested parties may contact the ISIEA 2009 Secretariat/Exhibition Chair for details. Paper Submission To submit paper go to submission paper website (EDAS) at <http://edas.info/N7655>. Call for Reviewers One of the things that will separate ISIEA with other conference is the peer review process. The success and strength of the technical program depends on you and people like you taking a few minutes of your precious time to read the papers submitted and giving a thoughtful review. Do sign up as a reviewer by sending email to : [ieeiesie@ieee.org](mailto:ieeiesie@ieee.org) / [ieeiesiea@gmail.com](mailto:ieeiesiea@gmail.com). Please indicate also the area of interest relating to the conference track. Tutorials On the 4th October 2009 parallel tutorial/special lecture will be planned. Entrance to participants will be free inclusive of the registration fee. Subject to final arrangements, amongst related topics; Tutorial I : Industrial Electronics Sliding Mode Control and its integration with Soft-Computing Methodologies in Intelligent Systems (Prof. O. Kaynak, Unesco Chair in Mechatronics) Tutorial II : Instrumentation & Measurement "Modern Electronic Testing: Challenges, Developments, Defect Analysis & Detection" (Prof. S.N. Demidenko & Melanie Ooi). Attached is a brief on the tutorial. Tutorial III : Lifescience Applications Brain Impairment and Drug Discovery - Finding a cure for Alzheimer's Disease via Genetic Approach (Prof. A.B. Abdul Majeed) Conference Program To view live update/latest conference program go to EDAS website at <http://edas.info/p7655>. Registration & Payment Details To those who prefers to do wire transfer and bank draft to effect symposium fees, banking details has been updated on the 10th July 2009. Extension in Early Bird Deadline Due to overwhelming request, the committee is allowing an extension to the deadline for early bird rates to Monday 3rd August 2009. No further extension is applicable. Public Transport from KLIA to ISIEA2009 Venue The nearest Commuter Station is at PWTC (Ampang Line). You may take the KLIA Ekspres and KLIA Transit Lines to KL Sentral. From here take the interchange to LRT of "Kelana Jaya" line towards "Terminal Putra" taking transit at "Pasar Seni" and exchange to "Ampang Line" towards "Sentul Timur" alighting at "PWTC" a short distance to ISIEA2009 venue.
